

July 23-26, 2009

The TAAF Games of Texas provides youth and adults from all over the state a chance to compete in their favorite sport. Tournaments range from relaxing Mini Golf to even the more extreme Water Polo. Whether you're on a competitive baseball team or just want to enjoy playing a round of golf, the Games of Texas has the right sport for you! If you do not want to take part as a participant please come out to support your fellow Texans by volunteering. These events can not be successful without the support of the community.

For more information and registration, please visit:

[TAAF Games of Texas](http://www.taafgames.com)

To volunteer, please visit:
